

VELURI PRASANTH

AI & Machine Learning Intern | B.Tech Information Technology

Nellore, Andhra Pradesh, India | +91 94417 59500 | prasanthveluri03@gmail.com

PROFESSIONAL SUMMARY

Information Technology undergraduate specializing in Artificial Intelligence, Machine Learning, and Data Analytics, currently applying ML concepts in a live internship at AENEXZ Tech Pvt. Ltd. Hands-on background in cybersecurity, including web application vulnerability assessment and network threat analysis. Combines technical problem-solving with proven leadership as Finance Team Lead for IEEE SB NBKRIST, coordinating budgets and operations across multiple technical events. Seeking Software Engineer, Python Developer, AI/ML Engineer, Data Analyst, or Full Stack Developer internship/fresher opportunities.

EXPERIENCE

AI & Machine Learning Intern — AENEXZ Tech Pvt. Ltd.

Jun 2026 – Present

Bengaluru, India (Remote)

- Applying core AI and Machine Learning concepts to hands-on projects, building practical experience with Python-based ML workflows.
- Collaborating with the technical team to develop and evaluate AI-driven solutions as part of real-world training tasks.

Cybersecurity Intern — Cyber Security Network / Supraja Technologies

Jan 2025 – Sep 2025

Remote / Vijayawada, India (Offline Internship)

- Performed web application vulnerability assessment and penetration testing, identifying and documenting security weaknesses.
- Analyzed network and mobile security threats, applying risk management principles to propose mitigation strategies.
- Completed a Cyber Web Application project internship under mentor guidance, earning certification in cyber threat analysis and risk management.

Finance Team Lead — IEEE SB NBKRIST

Jun 2025 – Present

Nellore, Andhra Pradesh

- Lead budgeting and financial planning for IEEE SB NBKRIST, overseeing funds across multiple technical and cultural events.
- Coordinate with the executive committee on financial operations, ensuring transparent budget allocation and smooth event execution.
- Manage a finance team responsible for expense tracking and reporting, strengthening organizational financial accountability.
