

VELURI PRASANTH

AI & Machine Learning Intern | B.Tech Information Technology

Nellore, Andhra Pradesh, India | +91 94417 59500 | prasanthveluri03@gmail.com

PROFESSIONAL SUMMARY

Information Technology undergraduate with hands-on internship experience in Artificial Intelligence and Machine Learning, applying Python-based ML workflows and data analysis to practical problems. Proficient in Python, Scikit-learn, Pandas, NumPy, Streamlit, MySQL, and Django, with a strong foundation in machine learning and software development. Experienced in cybersecurity through web application vulnerability assessment and network threat analysis. Combines technical problem-solving and collaboration with leadership as Finance Team Lead at IEEE SB NBKRIST. Eager to contribute as an AI/ML Engineer, Software Engineer, Python Developer, or Data Analyst.

EXPERIENCE

AI & Machine Learning Intern — AENEXZ Tech Pvt. Ltd.

Jun 2026 – Present

Bengaluru, India (Remote)

- Apply core Artificial Intelligence and Machine Learning concepts to hands-on assignments using Python-based ML workflows.
- Develop practical AI/ML skills by completing hands-on projects, structured training assignments, and real-world tasks.
- Collaborate with the technical team to develop and evaluate AI-driven solutions during internship training.

Cybersecurity Intern — Cyber Security Network / Supraja Technologies

Jan 2025 – Sep 2025

Remote / Vijayawada, India (Offline Internship)

- Conducted web application vulnerability assessments to identify and document potential security weaknesses.
- Applied penetration testing methods during supervised security testing and practical internship activities.
- Analyzed network and mobile security threats and applied risk management principles to recommend mitigation strategies.
- Completed the Cyber Web Application project internship and associated training under mentor guidance.

Finance Team Lead — IEEE SB NBKRIST

Jun 2025 – Present

Nellore, Andhra Pradesh

- Lead budgeting and financial planning for IEEE SB NBKRIST activities across technical and cultural events.
- Coordinate financial operations and budget allocation with the executive committee for planned activities.
- Manage expense tracking and financial reporting to support accountability across event operations.
- Collaborate with committee members to support the smooth financial execution of technical and professional events.

EDUCATION

B.Tech, Information Technology — N.B.K.R. Institute of Science and Technology, Nellore

2023 – 2027

TECHNICAL SKILLS

Programming & Web: Python, Java, C, JavaScript, HTML, CSS, Django

AI/ML & Data: Scikit-learn, Pandas, NumPy, Streamlit

Database: MySQL

Tools: VS Code, Git, GitHub, Google Colab, MS Excel

CERTIFICATIONS

- Introduction to Cybersecurity — Cisco Networking Academy (Jul 2026)
- Privacy and Security on Online Social Media — NPTEL
- Cyber Web Application Project Internship — Supraja Technologies
- Microsoft Applied Skills: Get started with cloud security and monitoring tasks — Microsoft (Jul 2026) | Credential ID: EBAE56196FDBAC58
